Reference memorandum, Secretary of the Army, October 4, 2002, subject as above.

To assist Principal Officials in developing their plans, the Secretary has designated me as the Non-Core Competencies Executive Steering Committee Chair.

Because the Third Wave effort has generated public and media interest, the message from the department must remain clear and consistent so that any disseminated information is in keeping with the Secretary's intent. Therefore, I will act as the single point of contact to clear all press releases, congressional discussions, and correspondence relating to the Third Wave. I solicit your cooperation in this effort.
